M	We can quote for larger installations and custom designed services		
Voice over Internet Protocol: VoIP phones			
Phone over the internet		R99	Hardware cost from R1500. Initial setup fee of R250.
Value Added Services			
1	Additional e-mail accounts	R25	We can add e-mail accounts as required.
2	Wireless network within your premises		Additional coverage can be quoted for
3	Fax to email		Monthly fee of R10. Pay only for faxes sent

Installations includes all outdoor equipment necessary for connecting to Bundu NetworX including one wireless (Wi-Fi) access point inside your home

Home uncapped accounts are subject to fair-use limitations. Connection speeds will be throttled to half speed thereafter.

All capped connections have "midnight surfer". All usage initiated after 10pm and ending before 5am is deducted from a "second cap" which is equivalent to your normal cap.

All connections include one free BunduNet email account.
